

# Safety for disability:

## Inclusive training on Safety & Health at work for workers with disabilities

### Main objective

**Safe4All** aims at contributing to promote a decent quality of life and to live independently as it focuses notably on inclusion, social protection and non-discrimination at work.

This project will also enhance **equal participation**, as it aims to effectively protect persons with disabilities from any form of discrimination and violence, to ensure **equal opportunities** in and access to justice, education, culture, sport and tourism, and to all health services.

Co-funded by  
the European Union

The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

## Project results

### R1

**Handbook for the Inclusive Vocational Training on Safety & Health in workplace for workers with disabilities.**

This document is an accessible handbook for the trainings direct to workers with disabilities and PWDs in general to enhance their security and health at work.

### R2

**Toolkit: Training for Trainers for Safety & Health in workplace of PWDs.**

The R2 is aimed to upskill and re-skill 2 kind of trainers: experts in safety at work and experts in training of PWDs.

### R3

**Recommendations for policy makers on how to improve Safety & Health in workplace of PWDs through training regulation.**

The R3 is aiming at make policy makers aware of the importance of the creation of a new and more inclusive legal framework to take into account the safety at work for people with disabilities.
